

Questioning Greater Yellowstone's Future: Climate, Land Use, and Invasive Species

October 11–13, 2010

PRESENTATION GUIDELINES:

Poster Session

- Each poster presentation will be allotted a vertical space 5 feet high x 6 feet wide, so please lay out and measure your materials before you arrive at the conference to make sure they will fit.
- We recommend that you allot space for a title bar (spelling out your title using letters approximately 4 inches high) running across the top of your space. The title should match the one given in your abstract submission.
- The panel itself is designed to accept push pins. No tape of any kind may be used on the panels.
- No surface space will be available for handouts and copies..
- You are responsible for bringing all materials needed to display your poster. Please indicate if you wish to provide your own panel, and give the exact dimensions of its "footprint."

Set-up begins at 1:00 p.m. on Monday, October 11 in the Mammoth Hotel lobby. All posters must be in place by 12:00 p.m. on Tuesday, October 12. Take-down begins at 1:00 p.m. on Wednesday, October 13. **All posters must be removed by Wednesday at 3:00 p.m.** The posters will be available for continuous viewing during this period. A reception will be held in the adjoining Map Room on Tuesday evening from 6:00–7:00 p.m. Please be available to answer questions at your poster during this time.

Paper Presentations (Oral)

Time allotment

Each paper presentation is given 20 minutes. It is very important that we keep sessions running on schedule. Please time your presentation beforehand. A moderator will be present at each session to keep time. He/she will signal you when you have five minutes remaining.

Audio/visual equipment

Each meeting room will be equipped with the following A/V equipment:

- an LCD (PowerPoint) projector and laptop computer
- a screen
- a laser pointer
- a microphone

An A/V practice room with the above equipment will be available beginning at 1:00 p.m. on Monday, October 13.

If you have need for any additional equipment (e.g., a second slide projector, high-intensity overheads, etc.) please contact or email Emily Yost to make arrangements.\

Please bring a copy of your presentation on a CD or USB key.

Questions? Concerns? Email yell_conference@nps.gov or call Emily Yost at (307) 344-2230.
